SUMMARY

Dedicated professional seeking a full-time position that leverages strong interpersonal skills, excellent time management, and problem-solving abilities to tackle professional challenges and contribute to organizational success.

PROJECTS

Sarvagnani AI – Integrated SaaS Web Application | Next.js.

[Chandu-ai-app.vercel.app](#) • January 2024 – May 2024

- Developed an AI-powered web app using Next.js with integrated features: code generation, image/video creation, conversational AI, music composition, text-to-speech, and speech-to-text.
- Implemented Clerk for authentication, Prisma ORM for database management, and Stripe for payment processing.
- Designed and developed intuitive React interfaces for AI tools, leveraging APIs such as OpenAI's DALL-E and Replicate's MusicLM and zeroScope_v2_XL.

PERFECT – FIT | MERN Stack.

[Perfectfitshop.netlify.app](#) • July 2022 – July 2024

- Created a fully functioning e-commerce platform using the MERN stack.
- Enhanced user experience and accessibility with essential features.
- Developed a fully responsive and functional with Admin page.
- Integrated all the essential features needed for an e-commerce site.

Files-GPT | MERN Stack.

[filesgpt.netlify.app](#)

- Built an AI-powered platform using the MERN stack, allowing users to upload files and chat with them.
- Integrated Google Cloud Storage for secure file uploads and OpenAI API for interactive AI responses.
- Enabled support for diverse file types (PDF, XLS, JS, CSS, images, DOCX, CSV, TXT) with scalable backend architecture.
